

Project Overview

Client: NBN Co Limited
Completed: 2011
Value: 2,337,896.00

PSA Architects was engaged to redesign the layout of the NBN office in Melbourne. The design accommodates more staff and creates a new entry foyer while also relocating offices and kitchenettes in order to create greater open floor area. Custom joinery for the reception was added to create focal points in the design, and a bright colour scheme and custom screens have been chosen to add interest to the office environment.
