

Project Overview

Client: Uniting Church

Completed: 2015

Value: \$1,563,090.00

This building, comprising the local Uniting Church, a 40 place childcare centre, and separate Wesley Mission office was significantly damaged by fire in 2013. The project involved restoring the church and completely rebuilding the childcare centre and Wesley Mission office. PSA was restricted by the requirement to maintain the appearance of the original façade and footprint while complying with all the current standards & BCA, this was in addition to providing an up-to-date best practice childcare centre.
