

Project Overview

Client: BOC Limited
Completed: 2011
Value: \$1,400,000.00

PSA were engaged as the Architect & Project Manager to carry out a complete refurbishment to Level 3 of their head office premises at North Ryde. The brief was to provide an additional 62 occupants to an already fully occupied floor. Through thoughtful planning, strategic furniture selections and a Fire Engineered solution, these requirements were able to be met. Due to restricted accommodation alternatives the floor needed to remain occupied during the construction period, however this was overcome through careful staging & planning and construction was carried out over 4 consecutive weekends.
